The MACON GOP CENTURY CLUB 2025

We are living through extremely difficult times – our nation and our American values are under attack like never before. Become a Century Club member and support the Macon County Republican Party. Every dollar is committed to stay in our community.

Your Century Club membership helps -

- Maintain our *volunteer-staffed* headquarters (rent, lights, internet, supplies)
- Host events that translate into votes for our candidates
- Provide training for Election Observers to preserve and protect your vote
- Purchase advertising to promote voting and GOP events
- Support our local, district, and state conservative Republican candidates on the general election ballot

The CENTURY CLUB is open to those who donate \$100 or more annually to the Macon County Republican Party, as election finance laws allow. Our goal is at least 100 members in 2025.
